Half Yearly Review & Planning Workshop

Staff interaction during the workshop

Kavre, Loo Niva organized Half Yearly Review and Planning Workshop at Country Villa, Nagarkot from 6th to 8th July. The staffs leading the project presented project review on Educational Support Program, Concern For Education and Educational

Governance. Staffs planned activities for six months July to December during the workshop. Loo Niva revised personal law 2067 BS and shared the summary of education watch training conducted just before the workshop program.

Learning Camp

Dadeldhura, Loo Niva organize learning camp for learning difficulties children during July 2015 in Bhagwari Primary School, Ajayameru and Kaipal Primary School, Samaijee. The students of grade two and three were taught on English, Math and

Science subjects. 21 girls and 17 boys benefitted from the classes. The program supported to increase learning achievement of the participated children as well as contributed in their regularity at school.

Education Support to ESP Students

Loo Niva staff providing stationary to the ESP student

Lalitpur, Loo Niva supported 209 students studying at school and college for education. School students having poor financial and family background were supported through school uniform, stationary

and school fee. The aim of the educational support program is to access right to education for the children who are near to drop out from the school because of poor family background.

TOT on Psychosocial Resilience for Youth Volunteers and Teachers

Group work presentation by leader at the training

Lalitpur, Five days TOT on “Fostering Psychosocial Resilience in Children and Communities” was organized at Bagaicha Restaurant from 30th July to 3rd August 2015. The program followed by formal ceremony with the chairmanship of **Mr. Narendra Dangol, Executive Director. Ms Clara from CESVI**, the partner organization occupies the seat of guest and she wished for successful training and meaningful participation. The training program capacitated 28 youth volunteers and local teachers on psychosocial support and resilience activities as well as made clear on the concept and plan of Resilience Project.

Mr. Milan Dharel, Ms. Shushma Regmi, Ms. Anita Tamang, Ms. Deepa Sigdel and Ms. Manita Dharel facilitated the

training using different tools and methods. The practical field assessment at Khokana and Bungamati with family, community leaders, child club members and school teacher was the effective way of training to explore the situation and develop further plan. Participants developed action plan for the effective implementation at the community level.

Psychological resilience is an individual’s ability to properly adapt to stress and adversity. Stress and adversity can come in the shape of different forms which may damage the growth, career, creativity, social activities and health of the children. So, this is important part to develop confidence level as well as skills and capacity of the children to face the daily challenges.

Child Club Support Program

Appreciating participant students by prize after program

Dadeldhura, Different six school based child club successfully conducted creative activities under child club support program of Loo Niva. With the support of focal teachers, child club organized quiz contest, spelling contest, essay writing, sanitation and personality development programs.

582 students benefited through different activities.

Students expressed happiness for having opportunity to explore their inner talent and capacities. Child club members have learnt to organize and manage programs in proper way.

Mobile Meeting

Welcoming Speech by Loo Niva Staff at meeting

Dadeldhura, Loo Niva organized teachers' mobile meeting for four times at Ajayameru, Samajee, Ganeshpur and Mastamandu VDCs targeting 24 schools under project Concern for education. 37 male and 29 female teachers from the four VDCs benefitted. Participants gifted ed-

ucational materials made by them to the hosted school. Teaching learning methods, learning and challenges during teaching were discussed and solved with effective interaction. Resource persons Mr. Bhoj Raj Yeir and Mr. Dambar Raj Josaru facilitated the meetings.

Carrier Education for Youths

Dadeldhura, Loo Niva organized carrier education classes in Samajee and Ganeshpur VDCs for the school dropout youths above 14 years having interest to develop professional capacity for income generating program. 5 male and 31 female youths

participated capacitated their skills through program. Mr. Laxmi Prasad Bhandari and Mr. Dilli Raj Bhatta facilitated classes two hours per day for 12 days. 10 active and energetic youths were selected for second phase training.
