

LOO NIVA ACTION OF THE MONTH

August 2021

Two days training for local government Assembly members on developing safe, supporting and inclusive school environment

August 17 to 20, 2021

Mahankal and Konjyosome Rural Municipality

Loo Niva and Patan CBR

Loo Niva and Patan CBR has jointly conducted two days training for local government assembly members on developing a safe supporting and inclusive school environment in Konjyosome and Mahankal Rural municipalities.

The workshop was conducted at Mahankal rural municipality on 17 and 18 August and Konjyosome Rural Municipality on 19 and 20 August 2021. Both workshops were conducted in the presence of the chairpersons of the both rural municipalities. A total 38 local assembly members and 8 local government officers from both rural municipalities participated in the program. The whole session of two days' workshop was facilitated by child rights activist **Mr. Chandrika Khatiwada**.

Objectives:

- To conduct the interaction on the safe, supportive and inclusive school environment policies, mechanisms and programs among the assembly members of both rural municipalities.
- To have discussion on the issues of child right and protection and policy designing process.

The program focused on the following issues:

- Child protection. Role, responsibilities and authority of the rural municipality in child protection.
- Concept of inclusive education and its policy arrangements.
- Guideline of CFLG
- Right to education of children
- Harmful practices and present conditions in rural municipality
- Complaint Handling Mechanism.
- Law, policies and programs on child protection.
